

# AA24M11

USB4/Thunderbolt to PCIe Gen4 x4 NVME 40G Enclosure

CE

FC

PCI EXPRESS

## • Feature

- Compliant with PCI Express Base Specification Revision Rev. 4.0
- Compliant with PCI Express M.2 Specification Revision 1.1
- Support PCI Express Link Power Management.
- Compliant with Universal Serial Bus 3.2 Revision 1.0
- Support up to PCI Express Gen4 x4
- Support up to USB4/Thunderbolt Gen3 x2 with USB 3.2 and USB 2.0
- Support BOT and UAS Protocol
- Support USB Hot Plug
- Compliant with Universal Serial Bus 4 Specification Rev. 1.0
- Compliant with Universal Serial Bus Type-C Cable and connector specification Revision 2.1
- Compliant with Universal Serial Bus Power Delivery specification Revision 3.1 Version 1.3
- Support USB Link power management
- Support NVME power management
- Support NVME: SCSI Translation Revision 1.5

## CONTACT US

Address: Room 2302, Block A, Zhuoyue Merlin Center Plaza (South District), Meilin Road, Futian District, Shenzhen Telephone: 0755-88851458

- Support NVME Error Reporting & Recovery
- S.M.A.R.T drive monitoring
- Compliant with NVMe Express Base Specification Revision 1.4c
- Supports M.2 card size: 2230/2242/2260/2280
- Supports M.2 M Key or B+M key Card Type
- Note: Support M.2(NGFF) PCIe SSD
- The efficiency mainly depends on M.2(NGFF) SSD master IC and the size of the capacity

### • Specification

<b>Bus Type</b>	USB4/Thunderbolt
<b>Number of Ports</b>	1 Port Type-C
<b>Transfer Rate</b>	40Gbps
<b>Dimensions</b>	115.5x58.5x15mm
<b>OS Compatibility</b>	Windows, MacOS, Linux

### • Accessories

- 1 x USB4/Thunderbolt to PCIe Gen4 x4 NVMe 40G Enclosure
- 1 x User Manual
- 1 x Type-C to Type-C Cable

Note: Contents may vary depending on country/market
